WHITE SUPREMACY!

Are indorsed and prescribed by more leading Physicians than any other tonic or stimulant now in use. They are A SURE PREVENTIVE for Fever and Ague, Intermittents, Billiousness, and all disorders arising from Minsmatic causes. They are recommended as an anti-dyspeptic and in cases of indigestion are invaluable as an Appetizer and Recuperant, and in case of General Debility they have never in a single instance failed in producing the most bappy results. They are particularly BENEFICIAL TO FEMALES, strengthening the bedy, invigorating the inind, and giving tone and classicity to the whole system. The HOME BITTERS are compounded with the greatest care, and no Tonic Stimulant has ever been offered to the public SO PLEASANT TO THE TASIE, and at the same time combining so many remedial agents. ame time combining so many remedial agents, adorsed by the medical fraternity as the best known to the Pharmacopoia. It costs little t

give them a fair trial, and EVERY FAMILY SHOULD HAVE A BOTTLE We ask every one to read the following certifi-ates from many of the most eminent physician the country

ST. Lours, July, 1870.—James A. Jackson &
O.: Gentlemen—As you have communicated
of the medical profession the recipe of the
'Home Bitters,' it cannot, therefore, be conidered as a secret or patent medicine, no paiwit having been taken for it. We have examind the formula for making the 'Home Bitters,'
and unhestatingly say the combination is one of the formula for making the "Home Bitters," and inharmation to making the "Home Bitters, and inharmation making the "Home Bitters, and inharmation to making the Home Bitters, and inharmation to while the problem.

Some of the paragraphs are a word or two longer than others, whereby we are left to surmise the length of each

JUST THINK OF IT.

LEXINGTON, LAFAYETTE COUNTY, Mo., SATURDAY, JANUARY 27, 1872.

Here is a case of what carpetbagabondage has done for a once tion run on the "brother-in-law" proud sovereignty of the Union. A plan. Everybody in it is brother-infew years ago, the assessed taxable law to Senator Oliver P. Morton, property of South Carolina, was five (real name Throckmorton), at salaries hundred millions of dollars. Now ranging from two to six thousand it is, all told, one hundred and per annum. The "Government," eighty-four millions. Only a trifle that means the presidential waterover ONE THIRD of what it was, before the lying scoundrel and boor Ulysses, with fraud upon his blasphemous lips, and lies and deceit chairs, etc. Brahminical leisure in his putrid heart, became the reigns supreme. The "P. M." is a purchasable tool of a hell-spewed the war by staying at home, and cabal, and president of a puritanig- soldiering at what the shrewd Indian gerized mongrelism. This is only a called "Meelish, O bell!" Salary part of the result in one State, of his \$6,000. He also has a brother-in- party is in a delectable state of harmaudlin hiccup about "Peace." law, to assist him as "Superinten-Prisons, illigal arrests, Jeffryan in the service. The gentleman who trials, false nigger testimony, bayonet fills this exacting position, receives hired robbers, death, desolation, and \$2,000 per annum. It is his sole political da mation, make up the business to color a meerschaum pipe, record. And the case of South Carolina portrays the end sought by the traitorous Cromwellian administration of public injustice, which has been probable by the statement of public injustice, which has been probable by the case of South the case of South corresponding to the color a meerschaum pipe, over which he labors assiduously. There are forty other brothers in law employed in the office, who fill various equally exacting and onerous places whose data. has been peddled by soulless pro-consuls in all directions over a whole section, during three years of horri-frauds, the post-office department ble nightmare, to crush out, not only the proud spirit of a free-born peo-the proud spirit of a free-born peo-destroy deficiencies," embracing several ple, but more particularly to destroy the remnant of their wealth, that millions annually. their estates might fall into the bands Ulysses, the little headed bide

of Pizarro and Cortes. And how about the blood-sweat Hancock was in command in New Such a beneficent result. At a caucus of Democratic Contribute to the national buccaneers, Orleans, he refused to acknowledge gressmen at Washington, lately, the who rule with the but of the musket? the superiority of the military over of the great soldier, about whom you the civil authorities, and wrote a know more than I do. I do not put any favorably, and its application in the subject at the time. Satisfied about letter on the subject at the time. Satisfied about than I do in approaching national campaign now? Only two MILLIONS ANNUAL- nincompoop, a General-in-chief, for adopted. The caucus favored pas- Ly! And the public debt of the having been whipped in every battle sivism in all the States, also, where State has been increased THIRTY-Two he ever fought with less than five to same time I see no probability, whatever, from its numerical weakness, the MILLIONS by unconcealed frauds of one, and who is president by the of the Republican party concentrating on the many of the support of any other man; and I take Democratic party could not possibly the most aggravating and startling patronage of the Washburnes only, character. This is the price of three countermanded some of General years of that ten-thousand-times Hancock's orders; for which he will be president of the United States.

Hancock's orders; for which he will be president of the United States.

Minister Catacazy, known as the or not it ever becomes a law.

Cat-Fish imbroglio. It would be a good joke, if Spain and Russia were going to thrash the yankees, and had on the scalawag principle. Its fair to say that of those three hundred millions of people, one hundred million never have enough to eat. Paradoxical as it may seem to you, it is probably not equal to an "army with banners" in the gallant Hoosier State.

Passive Resistance policy; while from the river to produce excepts. Consequently the western down the river to produce excepts. Consequently the western down the river to produce excepts. Consequently the western down the less water will find its way to the streams we are irrigation is undered million never have enough to eat. Paradoxical as it may seem to you, it is probably not equal to an "army with banners" in the gallant Hoosier State.

HIS OPINION OF ULYSSES, CONGRESS, RAILROADS, CIVILIZATION, ETC.

Wendell-Phillips, the soul of John Brown marching on, delivered a lecture at St. Louis, on the 20th, before a large audience. We shall furnish a few brief quotations from the reat seven in the evening, or reaches his home at seven, and to spend another bour marks as published in the St. Louis Democrat (Radical); that the Democin preparing for the morrow, and the man out here on the prairies that rises in the racy may get the drift of his sentiments. After ridiculing the civil--it is no exaggeration to say that, takin service reform, he intimates that "our Ulysses" is only a carpet keep their bodies alive. Well, now in the bagger. Verily, the great Radical bagger. Verily, the great Radical right to indict the civilization that produces it. [Applause.] No matter what may be your theory of finance, no matter what may be your criticism of shiftless.

mony: . THE CIVIL-SERVICE REFORM seems to me a magnificent delusion; that will probably be realized when we get on the other side of Jordan. [Applause and laughter.] I doubt whether it ever had a terrestrial foot-hold. I have yet to hear of. the form of government or its date that was ever able to exist under such a system as we call to-day the civil assules as we call to-day the civil assules. as we call to-day the civil-service reform. Certainly I have not the remotest idea which I mean to take, that I shall ever live to see the first quota or proportion of it administered to an admiring people.

ALABAMA TREATY. I think that has one very great merit. It with them for over a thousand years. In recognizes arbitration. You might say the sparse country in the focus of crowde almost it incorporated into international city life alike, the statesmanship of each city life alike, the statesmanship of each age has grappled with this problem, as they have handed it down to us to solve law, or went far towards incorporating into international law, the principle of from a sentimental Christianity. Oh. is I have got far beyond that. I am plead ing as a Jeffersonian Democrat for the perpetuity of the ballot box. [Applause. That man, he has worked eleven or twelve will be remembered when General the presidential office, who could achieve hours a day, and has nothing more phys cal or mental left for life till sleep recover

THE RENOMINATION

ANY OTHER CARPET-BAGGER who has gone South of Mason and Dixon's line. [Laughter and hisses.] But at the it for granted that whoever receives the formal nomination of the Republican party tor amid all the uncertainties of political affairs nobody can tell who is president until after he is chosen.
